Lunch	11:30-12:00
Live Auction	12:00-4:30

Revision 1  
October 26

## PHIL PARLETT

Since his own days in Scout Troop 32 (where he achieved the rank of Eagle in 1965), Phil Parlett retained a great enthusiasm for Scouting. Having lost his parents as a young boy, Phil eventually found refuge at age 12 with his 80 year-old Grandmother. Recounting the story of his life to LA Times reporter, Al Ridenour in 2002, Phil said that Scouting gave him the independence he needed to make that living situation work. “Without the Scouts,” Phil said, “I’d have probably ended up in reform school.”

As a teenage Boy Scout in Venice, California, Phil began digging into Scouting’s history by quizzing old-time Scouters. The older men often handed over outdated manuals and other historic knickknacks. To Phil, “it was like tracing his roots.” His enthusiasm for Scouting artifacts never waned, and over time Phil found himself the curator of a museum’s worth of Scouting objects which he showcased from 1986-1998 in his privately run Western Museum of Scouting, and more recently exclusively at Scouting events.

Phil Parlett continued his love of Scouting as a volunteer for Western Los Angeles County Council. From 1968-1972, Phil served as Assistant Scoutmaster to his boyhood Troop 32; Explorer Advisor from 1971-1978; and Scoutmaster from 1975-1985. Additionally, Phil served as Crescent Bay District’s Commissioner, Vice Chairman, Camping and Activities Chairman, and Program Chairman. In 1969 and 1973, Phil served on the National Jamboree Staff and participated in the 1989 National Jamboree, and attended the World Jamboree in 1988. Since 1980, Phil has been a member of WLACC’s Executive Board of Directors, and was recently very aptly appointed Council Historian by President Ivan Rosenberg.

In addition to his involvement in Boy Scouts of America, Phil was actively involved with the Benevolent and Protective Order of the Elks and in April 2005 began a one-year term as the Exalted Ruler of the Westchester Lodge.

Phil Parlett passed away on March 24 after a brief hospital stay.

# **AUCTION RULES AND OTHER NOTES**

Live Auction Rules - Generally accepted rules of the Scout Memorabilia hobby will be followed. The auction speed will be very fast in order to get through all of the items in the planned time. All bids are considered as a firm offer to buy. Live auction items will be on display for viewing on Friday night and Saturday morning. Phone-in bidding will not be possible.

Silent Auction Rules - Silent Auctions will vary between 20-30 minutes in duration. At the close of a silent auction, two bidders (or more) may ask for a bid off on an item. A staff member will conduct an on the spot live auction with the high bidder winning the item. Generally accepted rules of the Scout Memorabilia hobby will be followed. All bids are considered as a firm offer to buy.

Youth Only Auction - There will be one Youth Only Auction on Saturday morning at approximately 11:00AM. A Scout must be under 18 to participate in this auction.

Removal of items from the Auction - The Western Los Angeles County Council reserves the right to pull an item from the silent or live auction at any time prior to the auction starting.

Mail Bids - Mail bids or fax bids will be accepted on ALL Live and Silent Auction items. Minimum bids will not be set prior to the event, but WLACC reserves the right to reject any bids that are deemed too low. Absentee winners will be notified by invoice a week after the auction closing. Payment is expected within seven business days. Absentee winners will be charged a handling fee and shipping charges for all winning bids. These fees will be added to the final invoice. All bids are considered as a firm offer to buy. The highest mail bid per item will become the starting bid at the event.

WLACC has tried very hard to describe items clearly and correctly. We encourage every interested collector to come to the auction in person. Barring grossly incorrect descriptions, we will not refund mail bidders money if they are unhappy with a purchase. We will also not be held responsible for items damaged in transport. Mail bidders have the option of selecting USPS insurance on their mail-in bid sheet. Insurance purchase is at the bidder's option and expense.

Trading/Selling of Personal Memorabilia at the Auction - WLACC will set up some tables in the auction room for trading if there are extra tables. We will not charge to use them, but their purpose is not to facilitate traders setting up shop to conduct business. The purpose of this event is a 24 hour sale of an immense collection. For that reason, the setting up of tables to sell personal memorabilia will not be permitted on site.

Questions About Auction Items - Questions may be asked about any live auction item prior to the auction date. Due to the volume of items for sale, questions will not be answered prior to the event about silent auction items. Questions may be e-mailed to Jeff Feldman at jfbf@ix.netcom.com or faxed to him at (818) 883-2220. Please understand that it may take a few days to reply with answers.

Camping / Hotels - Due to our location change, camping will not be permitted at the School. A list of hotels near the auction site is provided on the next page. The site is 5-10 minutes from Los Angeles Int. Airport.

Meals and Snacks - The Malibu O.A. Lodge will be providing food service. They will provide Dinner on Friday Night and Breakfast and Lunch on Saturday. This will likely only be on a pre-order basis. A Meal order form is provided on one of the following pages. There will be a trading post set up on Friday Night and all day Saturday for snacks. We will likely also have hot dogs/hamburgers at the Trading Post.

Logistical Questions - Questions may be e-mailed to Jeff Feldman at jfbf@ix.netcom.com, faxed to him at (818) 883-2220 or you may reach him at (818) 883-4720.
